Station Madras, *Dated the* 10th July 1929.

From (Name) R.G.Grieve Esq., M.A., F.R.G.S.,

(Designation) Ag:Director of Public Instruction

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

(2)

In their order No.822 Mis., Edn., dated 20-4-28, Government were pleased to approve of my proposals for the conversion of the Government Elementary School for girls, Bellary, into a MiddleSchool with effect from June 1928. The Inspectress of Girls' Schools, III Circle, Bellary, now reports that 7 promising and intelligent pupils have secured promotion from Form III (the highest class of the Middle School during 1928-29) to Form IV and that two more girls are eager to join Form IV. She further reports that the girl pupils in question have all purchased their class text books etc., at considerable expense and that it will not be in the interests of the school to refuse admission into IV Form

also a few other girl pupils studying in boys schools the locality. Accommodation is reported to be sufficient for the new Form. In the above circumstances, I have in anticipation of and subject to the sanction of Government, approved of the proposal to open Form IV in the current year on condition that no extra expenditure is incurred during 1929-30. The Inspectress has agreed to work the school with the existing staff this school year.

2. The acceptance of this arrangement will, however, accelerate the development of the institution into a High School as Forms V and VI may have to be opened during 1930-3 and 1931-32 respectively. I am considering this questior separately and shall submit the necessary proposals in connection with Part II of the Budget Estimate for 1930-31.

3. I request that in the meanwhile Government may be pleased to approve of my action in having accorded sanction to open Form IV in the school during the current year.

I have the honour to be,

Sir,

Your most obedient servant,

M Hager

It is stated that though there will be no extra expenditure in the current year by the opening of Form IV, there may be extra expenditure from 1930-31 onwards.
